SUCCESS CLUBS

AT DELFT SECONDARY SCHOOLS IN 2022

Top academic achievers in grade 11 were selected to be part of Success Clubs at Hindle High, Rosendaal High, Voorbrug High, Simunye High, Masibambisani High and Delft High. The aim of Success Clubs is to better our learners' academic performance. These Success Clubs meet once per week and particular programme content is used (compiled by Van Schalkwyk et al.).

We acknowledge the committed contribution of Stellenbosch University-students acting as facilitators (Amy Adams acts as co-ordinator). Success Clubs also offer valuable opportunities for current students to “give back”, e.g. Lukhanyo Joel acting as facilitator at Simunye High.

Caryn Hawes

(she matriculated at Voorbrug High in Delft) is currently a second year student (Speech Therapy) at Stellenbosch University (Tygerberg campus). She visited Success Clubs at Rosendaal High and Voorbrug High on 30 May 2022 to encourage learners to “follow their dreams with passion and perseverance!”

READING CLUBS

BBCM Reading Clubs enjoyed a wonderful first semester 2022 with dedicated facilitators and enthusiastic readers! At the end of the semester we had the opportunity to enjoy a performance of Cinderella (presented by The Stage Performing Arts Studio).
