

Blue Bus Community Ministry

Newsletter

Dr. Izanette van Schalkwyk
Director of Projects

December 2022

The mission of the Blue Bus Community Ministries [BBCM] is described as "Enabling people in Delft to unlock their potential to be productive members of society and contribute towards healthy communities" (See website bluebusministries.co.za). This commission requires the daily driving force of God's absolute Love (see John 3:16), Provision (Ps 34), and Protection (Ps 91). It also necessitates the commitment of many people. The emphasis of this newsletter is to acknowledge the devoted work of our voluntary workers, coordinators, and helpers at Delft schools as well as the contribution of BBCM supporters and friends.

**Supporters and
helpers:**

1) We celebrate the efforts of teachers and non-academic staff at all Delft Schools acting as coordinators for the BBCM-projects; 2) we applaud the committed work of our many voluntary workers, namely the facilitators of our clubs called Prayer Warriors, Power Moms, Angel Moms, Delft Daisies, Success Clubs, Reading Clubs, Drama Club, Music and Choir Clubs, as well as the Rugby Club; 3) we are so proud of the committed efforts of all Delft youth who partake as active members of our clubs; and 4) we honour the prayer- and financial support as well as so many other blessings, e.g., food and clothes from people acting as Father God's Kingdom Givers.

We Acknowledge:

Teachers and Secretaries

Coordinators at the 27 Delft schools

We truly appreciate and value the assistance of the appointed teachers at all the 27 Delft schools acting as coordinators for the Blue Bus Community Ministries projects. The help of these coordinators and other helpers, such as the "sekkies" of the schools regarding the practicalities of the projects is essential, such as organising the venues for the projects, identifying learners for the projects, informing facilitators as to the daily planning of the schools and even threats e.g., gangster activities.

We Acknowledge:

Voluntary Workers

Facilitating various clubs of Blue Bus Community Ministries

The contribution of the voluntary workers of our various projects is vital for positive outcomes aligned with our vision and mission. The weekly connecting of facilitators and clubs adds to the building of trust which is basic to healthy relating. We truly appreciate the commitment of our team and all the needed preparation and planning for valuable service in God's Kingdom.

The Toughest Race On Earth

The Munga: 1100km single-stage Mountain Bike race – 120 hours to complete – in the heat of summer between Bloemfontein and Cape Town

If this sounds tough, a lot tougher are the daily lives of many persons living in extreme poverty in Delft and surrounding communities in Cape Town. People, in desperate need of help and a small opportunity of a breakthrough.

OUR STORY:

Seeing the struggle of many and heartbroken for their situation, we have identified the most amazing, most effective, and dedicated people with a heart for these communities in an organisation, namely Blue Bus Community Ministries. We have been involved with them for many years and just realized over time that whatever is given to them gets multiplied and used for so much good with testimony upon testimony and changed lives.
